Sir,

RECRUITMENT (DIRECT) - Madras Fisheries Service - Assistant Director of Fisheries (Engineer) - G.O.Ms.No.1815, Agriculture, dated 18-7-1955.

I am to say that in the G.O. cited, it is stated that "the Government accept the RECOMMENDATION of the Madras Public Service Commission" etc. I am to point out that the Commission made no 'recommendation' in this case. It conducted an examination under Article 320(1) of the Constitution of India and reported the result of that examination. The use of the expression "recommendation" - a matter governed by a different Article of the Constitution viz. 320(3) - is inappropriate.

In G.O.No.2988, Public (Services), dated 11-10-1944, this distinction between the functions of the Commission under Section 266(1) of the Government of India Act corresponding to Article 320(1) of the

Constitution

-34

Constitution] and those under Section 266 (3) of that Act (corresponding to Article 320(3) of the Constitution) was clearly brought out and the Departments of the Secretariat were requested to bear them in mind when addressing the Commission. In spite of these instructions and the wording of the Commission's letter No.4248-B.3/54-10, dated 18-3-1955 which made it clear that the Commission conducted an oral test and reported the result, it is stated in the G.O. cited that "the Government accept the RECOMMENDATION of the Madras Public Service Commission and direct that Sri M.Jayaraj be appointed etc." I am to request that the G.O. be amended suitably as was done in a similar case in G.O. Ms.No.1199 (Confdl.) Development, dated 12-3-1953 which was substituted for the G.O. of the same number and date in response to the Commission's letter No.3082-B.3/52-18, dated 24-4-1953.

Sub: Public Services - Madras Fisheries ~~Subordinate~~ Services - Jayaraj (Sri) M - Assistant Director of Fisheries Engineer - Selection by the Madras Public Service Commission for regular appointment - Regarding.

Ref: From the M.P.S.C. Lr.No.4248.B3/54, dated 18-3-55.

To A.S. -

In December 1954, the M.P.S.C. was requested to recruit one candidate for regular appointment to the post of A.D.F.(Engineer), which has been held by one Sri M. Jayaraj since 3-7-53 under emergency provisions of the rules. Sri Jayaraj is not qualified for the post as he does not possess three years' practical experience in the erection or maintenance of cold store plants, as required in rule 4(ii) of the ad hoc rules for the post of A.D.F. (Engineer).

2. In July 1953, Sri Jayaraj put in a petition to the Govt. requesting that in view of the additional qualification and experience acquired so far in the post, rule 4 (ii) of the ad hoc Rules might be relaxed in his favour in order to enable him to be regularly appointed to the post. As the Commission was requested to recruit one candidate for regular appointment to the post even before the above petition was received, it was considered that it would be sufficient if the commission was told that the application of Sri M. Jayaraj for the post of A.D.F. (Engineer) might also be considered, and that the Govt. would relax rule 4 (ii) of the ad hoc rules in his favour in case he was otherwise found suitable and selected for appointment. The Commission was informed accordingly in this Deptt.'s Lr.No. 109356.CII/54-3, dated 20-12-1954.

3. The Commission has now stated that the only candidate subjected to oral test for recruitment to the post of A.D.F. (Engineer) viz. Sri M. Jayaraj, was successful, and that he was admitted to oral test subject to relaxation of the relevant rule in

the ad hoc rules for the post (viz) Rule 4 (ii), as he does not possess three years practical experience in the erection or maintenance of cold store plants. The Commission has therefore requested that this rule may be relaxed in favour of Sri Jayaraj, as proposed in this Deptt.'s Lr.No.109356.CII/54-3, dated 20-12-54. The Commission has also stated that a physical fitness certificate has been called for from Sri Jayaraj, and that a further communication will be sent as soon as the Commission ~~has~~ is satisfied itself about ~~the~~ his physical fitness. ~~of Sri Jayaraj.~~

In the circumstances stated above it is for orders:

(i) whether rule 4(a)(ii) of the ad hoc rules for the post of A.D. F. (Engineer) may be relaxed in favour of Sri M. Jayaraj. ~~(as already proposed) and~~

(ii) whether he may be appointed to act on probation in the post of A.D.F. (Engineer), in category 2 of the Madras Fisheries Service, with effect from the date of the order, ~~subject to the acceptance of the medical fitness certificate by the Commission.~~ Pub. NOTE FOR CIRCULATION.

This file deals with the proposal to appoint Sri M. Jayaraj to act as Asst. Director of Fisheries (Engineer) in Category II of the Madras Fisheries Service, as he has been selected by the M.P.S. Commission for appointment to the post.

2. In 1946, the Govt. sanctioned two posts of Engineers in the Fisheries Deptt. on Rs.200/- p.m. each, in connection with the erection of two ice plants, one at Kozhikode and the other at Mangalore. In November 1948, the Govt. revised the scale of pay of the posts as that of Asst. Directors of Fisheries (i.e.260-30/2-380-40/2-500 p.m.). Of these two posts, only one post has been filled in so far, as the second post was not considered necessary for the plants were to be leased to private parties, instead of being worked departmentally. One post is being held by one Sri M. Jayaraj, temporarily from 3-7-1953. He is not fully qualified for the post, as he does not possess experience for a period of 3 years in the erection and maintenance of cold storage plants prescribed under rule 4 (a) (ii) of the ad hoc rules for the post of A.D.F. (Engineer).

3. In December 1954, the M.P.S.C. was asked to recruit one candidate for regular appointment to the post of A.D.F. (Engineer), which has been so far held temporarily, by Sri M. Jayaraj. Meanwhile, Sri Jayaraj put in a petition to the Govt. requesting that in view of his additional qualification and the experience acquired in the post from the date of his appointment.(3-7-1953) and of the fact that he belonged to the fishermen community, rule 4 (a) (ii) of the ad hoc rules for the post of A.D.F.(Engineer) might be relaxed in his favour in order to enable him to be regularly appointed to that post. With

reference to this representation the M.P.S.C. was informed that the application of Sri M. Jayaraj for the post of A.D.F. (Engineer) might also be considered and that the Govt. would be prepared to relax rule 4 (a) (ii) of the ad hoc rules for the post in favour of Sri Jayaraj, in case he was otherwise found suitable. The Commission has now stated that Sri M. Jayaraj, the only candidate subjected to oral test for recruitment to the post of A.D.F. (Engineer), was successful, and that rule 4 (a) (ii) of the ad hoc rules may be relaxed in his favour. The Commission has also forwarded the certificate of medical fitness of the candidate. In the circumstances this Deptt. propose:

(i) to relax rule 4 (a) (ii) of the ad hoc rules for the post of A.D.F. (Engineer) in favour of Sri Jayaraj; and

(ii) to appoint him to act regularly as A.D.F. (Engineer) in Category II of the Madras Fisheries Service from the date of the order.

The Pub. (Ser.) Deptt. have agreed to the proposal.

The file may now be circulated to M (A) and C. M. for approval of the proposals at 'A' above.

20/4/55 20.4.55 The note for circulation from page 3 above may be perused. The file may be circulated to M(A) & C.M for approval of the proposals at 'A' above.

(Last seen in this deptt. on page 2 ante.)

The summarizing note of Agriculture and the orders in circulation thereon on pp.3-4 ante, the subsequent notes of that deptt. on page 5 ante and the draft order below may be perused.

'A' on page 5 ante:- If Sri M.Jayaraj is to be regularly appointed either from the date of his selection by the M.P.S.C. or from the date of his appointment under the emergency provisions, the relaxation of rule 4(a)(ii) of the ad hoc rules proposed to be made in his favour, should be given effect from that date. The relaxation itself is a concession to him. There seems to be no justification for giving him any further concession by way of giving the relaxation retrospective effect. Attention is invited, in this connection, to the extract of minutes of the previous C.M. at (U), deprecating the practice of making recommendations for giving retrospective effect to ~~the~~ relaxations. Further, in this case, it has already been ordered in circulation that Sri M.Jayaraj should be regularly appointed from the date of the order.

'B' on page 5 ante:- It seems better to have the antecedents of Sri Jayaraj verified by the C.I.D. (especially as his appointment is to a gazetted post) before appointing him regularly notwithstanding the fact that he has been continuing under the emergency provisions from July 1953. (the verification of antecedents is being made even) ~~This is ordinarily being done~~ in the case of persons who are employed under the emergency provisions in the Sectt. and who are subsequently selected by the M.P.S.C. for regular appointment.
